

## Blended Learning Grant Application

This cover sheet to be submitted with school improvement plan and technical plan

The Archdiocese of Omaha Catholic Schools Office is committed to the success of our schools in using blended learning as part of an instructional framework. This application is for a three-year commitment for a school to utilize blended learning with instructional and tailored financial support from the Archdiocese of Omaha Catholic Schools Office with the result of the school becoming independent in blended learning practices and the full funding of programs after the three years.

School Name: \_\_\_\_\_

Principal/Teacher Facilitator: \_\_\_\_\_

Pastor/President: \_\_\_\_\_

Summarize the objectives your school desires to achieve with the implementation of a blended learning program (which model for instruction: rotational, flex, a la carte, enriched virtual, what programs, what grade levels)

Summarize goals blended learning will accomplish:

School Improvement Plan Attached: Yes

School's Technical Plan Attached: Yes

We have reviewed the information in this application and understand the requirements of the blended learning model and commit to implementing blended learning with the necessary and ongoing technical devices and infrastructure, financials, and training of teachers on instruction and use of programs.
